

# Tech Ventures & Opportunities

## Business Coach

### Start-up Venture Creation 35

- Selected startup support programmes in Malaysia
- Youth entrepreneurship programme in Philippines

### Technology transfer 37

- Registration of layout-design of integrated circuit in Thailand
- Registration of technology transfer arrangements

### Venture Financing 41

- Stages of startups and source of funding
- Selected business funding in Malaysia

### Managing Innovation 44

- Managing innovation in Thailand – selected initiatives
- Open data innovation in Malaysia

## Green Productivity 46

- Energy Parks in Sri Lanka
- Energy management in Sri Lanka

## Tech Opportunities

### Technology Offers 48

- Laser waste destruction and co-generation of power
- Continuous room-temperature biodiesel production
- Novel transducer matrix for biosensors
- Plant biomass-based metal sorption column
- Nanogold-loaded carbon bullets as gene carriers
- Dengue tetravalent vaccine
- Zero-head hydro turbine
- Dehydrated fruits by freeze-drying technique
- Kitozan biofertilizer
